## **Auction Rules**

1. By bidding in the live or silent items, each bidder agrees to these auction rules.
2. All sales are final. There will be no exchanges or refunds unless otherwise noted. All items are "as is." Dealey Auction Committee has attempted to describe and catalog items correctly, but neither warrants nor represents and in no event shall be responsible for the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog, or made orally at the auction or elsewhere, shall be deemed such a warranty, representation, or assumption of liability.
3. The value listed is an estimate of fair market value. Items have not been appraised unless so noted. The amount you pay above this fair market value estimate is normally tax deductible as a charitable contribution. Please consult your tax advisor to clarify amount of deduction.
4. Restaurant certificates do not include alcohol, tax, or gratuities unless specified.
5. Payment for items purchased must be made in full on the night of the auction to the cashier. Dealey Auction Committee will gladly accept cash, credit cards or your check payable to Dealey PTA . Please allow 30 minutes after the tables close before reporting to cashier.
6. Following payments, you may pick up your purchases in the check out area. You must show your paid receipt for items to be picked up.
7. The purchaser must pick up all items the night of the auction, unless special arrangements are made. Any item left unclaimed,

without prior arrangements, will be sold and proceeds will go to the Dealey PTA.

8. Auction Committee reserves the right to add or withdraw items, without notice, to or from the auction.

9. Unless otherwise specified, all auction certificates must be used within one year of the date of the auction.

10. Each person bidding assumes all risks and hazards related to the auction and items obtained at the auction. Each bidder agrees to hold harmless from any liability arising indirectly from Dealey PTA, their elected and appointed officials, members and volunteers, the auctioneer(s), the auction company and its agents and employees, the event organizers, sponsors, and/or volunteers connected with the auction.

### **Silent Auction**

1. All items in the Silent Auction have bid sheets next to them or on a table nearby. When you want to bid, you do so by placing a bid sticker on the bid sheet opposite the amount you want to bid. Your bid number is your identification during the auction. You will be given a bid number at check in. You will receive a large bid card for the live auction and a sheet of bid stickers to carry with you for the silent auction.

2. You do not have to take the next available bid amount. You may skip ahead on the sheet to find the amount you want to bid. The next bidder must pick an amount higher than yours to be a successful bidder.

3. If you really want an item, just place your bid sticker opposite the amount labeled "Guaranteed Purchase" and you have bought the item. Once you have placed your sticker on the guaranteed purchase line, the bidding for that item is concluded.

4. You may bid on any items in the silent auction section until the auction's close. Bidding for items in the silent auction will close at the times posted. A silent auction official will identify the top bidder number and amount. You can see if you are the successful purchaser by looking at the Bid Sheet Backer, which will be left in place of the bid sheet after the auction is closed.
5. In the event of a dispute, the Auction Coordinator will act as final authority.

### **Live Auction**

1. Live auction items may be previewed in the designated live auction area from the time the doors open. Please feel free to examine the items and note any restrictions, limitations, sizes, etc.
2. The live auction will begin at approximately 9:15 p.m. and will continue without intermission until all items have been auctioned.
3. To enter a bid, the bidder holds up their large Bid Card so that the auctioneer or one of the spotters can see it. Use only the bid number assigned to you. The auctioneer will determine who the successful bidder is. Please hold your card so that the number can be seen easily.
4. Successful bidders for the live auction must sign a receipt. At that time, they should verify that the bid number, amount, and item description are correct.
5. In the event of any dispute between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder or to re-offer the item in dispute.
6. Value set forth for items being auctioned are donor's estimates and are not warranted by the auction for general value.
